## Reference Guide

We encourage you to take the following steps to protect your personal information:

- **Order Your Free Credit Report.** To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com), call toll-free at 1-877-322-8228, or complete the Annual Credit Report Request Form on the U.S. Federal Trade Commission's ("FTC") website at [www.consumer.ftc.gov](http://www.consumer.ftc.gov) and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. The three consumer reporting agencies provide free annual credit reports only through the website, toll-free number or request form.

When you receive your credit report, review it carefully. Look for accounts you did not open. Look in the "inquiries" section for names of creditors from whom you have not requested credit. Some companies bill under names other than their store or commercial names. The consumer reporting agency will be able to tell you when that is the case. Look in the "personal information" section for any inaccuracies in your information (such as home address and Social Security number). If you see anything you do not understand, call the consumer reporting agency at the telephone number on the report. Errors in this information may be a warning sign of possible identity theft. You should notify the consumer reporting agencies of any inaccuracies in your report, whether due to error or fraud, as soon as possible so the information can be investigated and, if found to be in error, corrected. If there are accounts or charges you did not authorize, immediately notify the appropriate consumer reporting agency by telephone and in writing. Consumer reporting agency staff will review your report with you. If the information cannot be explained, then you will need to call the creditors involved. Information that cannot be explained also should be reported to your local police or sheriff's office because it may signal criminal activity.

- **Activate Kroll's Identity Monitoring Services.** We have arranged with Kroll to provide Identity Monitoring services at no cost to you for a year. Visit [kroll.idmonitoringservice.com](http://kroll.idmonitoringservice.com) to activate your Identity Monitoring services. You will need to provide your Membership Number: **<<Member ID>>**. The deadline to activate your services is September 14, 2017. If you have questions about the services or need assistance with a fraud or identity theft-related issue, please call Kroll at 1-866-739-0728, Monday through Friday, from 8:00 am to 5:00 pm Central Time. Please have your Membership Number ready.

Your Identity Monitoring services include:

- **Single Bureau Credit Monitoring:** You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who can help you determine if it's an indicator of identity theft. To receive credit monitoring service through the mail, you may call 1-866-739-0728. To receive credit monitoring, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.
  - **Fraud Consultation:** You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing ways to protect your identity, explaining your rights and protections under the law, assisting with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.
  - **Identity Theft Restoration:** If you become a victim of identity theft, a Kroll licensed investigator will work on your behalf to help resolve related issues.
- **Report Incidents.** If you detect any unauthorized transactions in a financial account, promptly notify your payment card company or financial institution. If you detect any incident of identity theft or fraud, promptly report the incident to law enforcement, the FTC and your state Attorney General. If you believe your identity has been stolen, the FTC recommends that you take these steps:
    - Close the accounts that you have confirmed or believe have been tampered with or opened fraudulently. Use the FTC's ID Theft Affidavit (available at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft)) when you dispute new unauthorized accounts.
    - File a local police report. Obtain a copy of the police report and submit it to your creditors and any others that may require proof of the identity theft crime.

You can contact the FTC to learn more about how to protect yourself from becoming a victim of identity theft and how to repair identity theft:

Federal Trade Commission  
Consumer Response Center  
600 Pennsylvania Avenue, NW  
Washington, DC 20580

- **Consider Placing a Fraud Alert on Your Credit File.** To protect yourself from possible identity theft, consider placing a fraud alert on your credit file. A fraud alert helps protect you against the possibility of an identity thief opening new credit accounts in your name. When a merchant checks the credit history of someone applying for credit, the merchant gets a notice that the applicant may be the victim of identity theft. The alert notifies the merchant to take steps to verify the identity of the applicant. You can place a fraud alert on your credit report by calling any one of the toll-free numbers provided below. You will reach an automated telephone system that allows you to flag your file with a fraud alert at all three consumer reporting agencies. For more information on fraud alerts, you also may contact the FTC as described above.

- **Consider Placing a Security Freeze on Your Credit File.** You may wish to place a “security freeze” (also known as a “credit freeze”) on your credit file. A security freeze is designed to prevent potential creditors from accessing your credit file at the consumer reporting agencies without your consent. There may be fees for placing, lifting, and/or removing a security freeze, which generally range from \$5-\$20 per action. *Unlike a fraud alert, you must place a security freeze on your credit file at each consumer reporting agency individually.* For more information on security freezes, you may contact the three nationwide consumer reporting agencies or the FTC as described above. As the instructions for establishing a security freeze differ from state to state, please contact the three nationwide consumer reporting agencies to find out more information.

The consumer reporting agencies may require proper identification prior to honoring your request. For example, you may be asked to provide:

- Your full name with middle initial and generation (such as Jr., Sr., II, III)
  - Your Social Security number
  - Your date of birth
  - Addresses where you have lived over the past five years
  - A legible copy of a government-issued identification card (e.g., a state driver’s license or military ID card)
  - Proof of your current residential address (such as a current utility bill or account statement)
